I'm sick of getting disowned by my friends over bad FIFA and I need help. I've played games before, and even played FUT before with my friends, but this is just ridiculous. My good friend wanted me to join him in a team, but I'm only in 5th grade. I had to join a team with his cousin who is also in 5th grade. After one game, he said he hates me and disowned me. Now I can't tell him about my problem. Please help me! Thank You for your time, -Chris'

What's new in Fifa 22:

- **New gameplay engine powered by the "HyperMotion" "dynamic mechanic" and an all-new "Control Precision" DAWG2 animation system.**
- **New Living Area - partner players can engage in new drinking, eating, and partying activities while you compete as your Ultimate Team squad.**
- **New Intelligent Community Challenges - You'll have to choose some of the best players in the world for your squad and then recreate the best club tournaments in FIFA history - and, it's really interesting.**
- **New "giant" Ultimate Team Challenges - push yourself to help your club rise to the top with a variety of new three-vs-three mini-tournaments that pit you against other skillful club owners.**
- **New Trainer - adjust the "keep faith" belief during the tournament; assist your players with technical knowledge; create custom formations and teams; learn and analyze player positions, strengths and weaknesses; and much more.**
- **New Player League - enjoy a new Ultimate Team mode including career challenges, leagues, and season modes.**
- **New mode - Ultimate Team Draft - choose the best players available - up to the current top 64 players all over the world.**

FIFA is a global entertainment property of Electronic Arts (NASDAQ:EA), maker of the FIFA franchise, including FIFA, FIFA Manager, and FIFA '18. An established phenomenon for over 20 years, FIFA has consistently produced the highest quality football simulation ever released. This year FIFA is back with an all-new gameplay engine, an incredible story-driven presentation, and expansive, life-like, and authentic presentation of the world's most popular sport. What can you do with FIFA? **CAMP:** Create the best team with everything from training to tactics. **INTERACT:** Build relationships with your team mates, influence on and off the pitch with innovative social features. **EXPLORE:** Every stadium and location across the globe, from the depths of Brazil's Mineirao to the snow-capped peaks of Kyrgyzstan. **MASTER:** Master team tactics, set up new formations, and use more than 1000 possible permutations of the game. **LEAGUE:** Earn experiences, progress your player, compete with worldwide competitions, and advance to the Champions League. **DIFFICULTY:** FIFA's intuitive pace, style and feel of football means it plays and feels just like football. **INNOVATION:** EA SPORTS has combined the power of Frostbite for more realistic storytelling and presentation with new game modes and the return of fan favourites, all underpinned by a new gameplay engine. A year on, the world is more connected, international and diverse, embracing the game and its players to some extent. Change the laws to be fairer, the rules to be more fun, or the taste to be more local. We can dream. Packed with updates This year FIFA has more innovations than ever before, including Career Mode, the All-Time Legends team, FIFA Ultimate Team (FUT), and the updated FIFA Story mode. FUT enables you to build, manage, and compete with the best FUT players, and see your Career, MyClub and Ultimate Team evolve over time with every new transfer and career goal you score. FIFA Story takes you through the lives of some of the greatest footballers in the world, putting you into the skin of their most memorable matches and letting you experience the rush of the action and the best-ever storylines of the FIFA franchise. An updated Career Mode lets you compete for trophies across a variety of global competitions, and showcase your best
